- **Intelligent Technology:** Stay effortlessly connected with a state-of-the-art touchscreen infotainment system, wireless smartphone integration, and an immersive sound system that transforms your cabin into a private concert hall.
- **Uncompromising Performance & Efficiency:** Whether you choose the turbocharged petrol variant or the brand's world-renowned self-charging hybrid technology (such as the RX 350 or the powerful RX 500h F Sport), you are guaranteed an whisper-quiet, incredibly smooth, and responsive drive.
- **World-Class Safety:** Drive with absolute confidence thanks to the Lexus Safety System+, which includes advanced pre-collision systems, lane-keeping Assist, and adaptive cruise control.
