

The Future of Electric Luxury Arrives at Halfway Lexus Fourways

Experience the next era of electrified performance and Takumi craftsmanship with the all-new **Lexus RZ 550e F-SPORT**. Combining bold, aerodynamic styling with dynamic zero-emission power, this flagship electric SUV redefines what it means to drive in luxury—and Halfway Lexus Fourways is making it easier than ever to get behind the wheel before the year ends.

Aggressive Elegance: The RZ 550e F-SPORT

Designed to command attention from every angle, the RZ 550e F-SPORT pairs sculptural body lines with athletic, track-inspired accents. The striking bi-tone exterior—featuring a rich metallic copper-bronze finish contrasted against a sleek black roof, wheel arches, and aerodynamic blacked-out alloy wheels—signals an unmistakable F-SPORT pedigree.

Every detail is engineered for both visual drama and high-speed stability, from the signature spindle body silhouette to the sharp rear spoiler and sculpted side profile. Inside and out, the RZ 550e F-SPORT delivers the whisper-quiet refinement, intuitive technology, and exhilarating electric responsiveness that set Lexus apart.
