

Command Every Journey: Experience the Ultimate in Automotive Luxury at Halfway Lexus Fourways

True luxury isn't just about getting from point A to point B—it is about how you feel every second along the way. At Halfway Lexus Fourways, driving is elevated into an extraordinary experience defined by bold design, Japanese craftsmanship (*Takumi*), and commanding capability.

For drivers who demand a commanding presence on the road paired with uncompromising luxury, the flagship Lexus LX range sets the standard. Whether you are navigating urban cityscapes or taking on long-distance journeys across South Africa, Halfway Lexus Fourways invites you to discover two benchmark luxury flagship SUVs tailored to your lifestyle.

Legendary Performance Meets Modern Engineering

The Lexus LX lineup combines sophisticated aesthetic refinement with rugged capability, ensuring presence you notice and luxury you experience.

- **Lexus LX 700h Urban** (From R2 829 200): Delivering seamless hybrid power, the LX 700h Urban marries eco-conscious innovation with immense torque, ultra-smooth acceleration, and whisper-quiet refinement.
- **Lexus LX 500d F-Sport** (From R2 687 500): Designed for those with a passion for dynamic styling and performance, the LX 500d F-Sport brings aggressive front-grille styling, tuned suspension, and robust twin-turbo diesel power.

Craftsmanship & Technology Beyond the Ordinary

Step inside the Lexus LX cabin and experience *Omotenashi*—the Japanese art of thoughtful hospitality. Every element is engineered to put total control at your fingertips while delivering absolute comfort for all passengers:

- **Takumi Craftsmanship:** Master-crafted interior finishes, premium leather upholstery, and meticulous attention to detail.
- **Intelligent Dual Touchscreens:** Multi-display layouts for effortless climate control, drive mode selection, and navigation.
- **Commanding All-Terrain Capability:** Advanced multi-terrain select systems and full-time four-wheel drive ensure smooth handling on any surface.
