

Be holiday-ready with a complimentary Holiday Check

Prepare your Lexus for the December holidays and travel with complete peace of mind. Halfway Lexus Pretoria Service is offering a **complimentary Holiday Check** — a limited-time service special to help you leave the workshop confident that your vehicle is ready for the road.

Spaces are limited and demand is high for December, so book now to secure your preferred date.

What the complimentary Holiday Check includes

- **Tyres, brake and suspension inspection**
- **Visibility and electrical system check**
- **Engine bay health and fluids check**
- **Full diagnostic health check**

Book before December fills up

December is a busy time on the road and in the workshop. A pre-holiday inspection is a practical way to check the essentials — tyres, brakes, visibility, fluids and a full diagnostic — before you travel. This Holiday Check is complimentary. Any additional work that may be recommended is quoted separately, and bookings are subject to workshop availability.
