

DRIVE THE FUTURE TODAY: THE LEXUS RZ 450E AT HALFWAY LEXUS PRETORIA

The future of luxury mobility has arrived in Pretoria, and it's more accessible than ever. At **Halfway Lexus Pretoria**, we are redefining how you experience the road with an exclusive offer on the all-electric **Lexus RZ 450e**. Merging the legendary Lexus Takumi craftsmanship with cutting-edge electric performance, the RZ is not just a car; it is a statement of sustainable elegance.

Luxury Without the Wait

Why wait for the future when you can drive it today? Our **FutureDrive Vehicle Finance** packages are designed to give you ultimate flexibility and peace of mind. For a limited time, you can get behind the wheel of the striking RZ 450e with **no deposit required**.

We understand that modern luxury requires modern solutions, which is why we are offering **flexible ownership and short-term contracts** tailored to your lifestyle.

Unbeatable Value, Unmatched Performance

We are currently offering interest rates significantly **below prime**, starting from as low as **5.62%**. Whether you choose the sophisticated EX or the top-tier SE, our structured installments ensure you enjoy premium electric driving with financial clarity.

Model	Retail Price	Term	Monthly Instalment
RZ 450e EX	R1 814 900	48 Months	R21 199 PM
RZ 450e SE	R1 791 990	48 Months	R22 199 PM

Note: GFV (Guaranteed Future Value) of 55% applies to both models, ensuring your investment is protected.

Experience the Halfway Lexus Difference

At Halfway Lexus Pretoria, we believe the journey should be as seamless as the drive. Our dedicated team is ready to guide you through the transition to electric, from exploring the dual-tone aesthetics of the RZ to understanding the rapid-charging capabilities that keep you moving.

Don't miss the opportunity to own the pinnacle of Lexus electrification under these extraordinary terms.

Visit Halfway Lexus Pretoria today or contact our sales team to book your test drive.

Disclaimer: Terms and Conditions apply. Offer valid until 31st January 2026 or while stocks last. Interest rates are subject to individual credit profiles.
