

More Than Just an Easter Egg Drop-Off

Jakaranda Kinderhuis • 2 April 2026

On 2 April 2026, the Halfway Lexus Fourways team visited Jakaranda Kinderhuis for an Easter egg drop-off — and it was more than just that.

The team arrived with full hearts and genuine smiles, bringing Easter treats to hide around the garden, along with food and other supplies from the boot of the Lexus. Between the garden beds and the planters, eggs and chocolates were tucked away for the children to find.

Because it’s the moments we share that truly make a difference.
