

Redefining Luxury: Discover the All-New Lexus ES at Halfway Lexus Fourways

For discerning drivers who refuse to compromise on sophistication, innovation, and performance, luxury executive driving has reached a new standard. **Halfway Lexus Fourways** is proud to present **The All-New Lexus ES**—a vehicle crafted to challenge conventions and elevate every journey. Under the tagline **"Sedan Luxury, Redefined,"** this flagship model brings together striking design, progressive technology, and master craftsmanship.

Craftsmanship Meets Next-Generation Engineering

The All-New Lexus ES combines striking visual appeal with effortless driving dynamics. Featuring a sleek, aerodynamic silhouette, commanding alloy wheels, and signature Lexus styling cues, the ES commands attention from every angle.

To cater to diverse performance preferences and lifestyle requirements, the new lineup features tailored trim options:

- **ES 350h EX:** The ideal balance of hybrid efficiency, dynamic responsiveness, and premium standard features.
- **ES 350h SE:** An elevated execution offering supreme comfort, executive trim enhancements, and comprehensive technology suites.
- **ES 350e SE:** An exciting addition representing advanced electrification, refined power output, and state-of-the-art luxury features.

Unrivaled Comfort and Innovation

Inside the cabin, the Lexus ES surrounds drivers and passengers with intuitive technology, whisper-quiet sound insulation, and luxury materials. From tactile interior finishes to intelligent driver-assist safety systems, every detail in the ES is designed around *Omotenashi*—the Japanese philosophy of thoughtful hospitality.

Whether navigating urban commutes or taking long-distance journeys, the All-New ES ensures an effortless driving experience.

Experience Executive Luxury at Halfway Lexus Fourways

There is no better place to begin your Lexus journey than at **Halfway Lexus Fourways**. The dealership's dedicated team is ready to guide you through model specifications, schedule personalized test drives, and craft tailored finance options to suit your needs.
