

Start Your Holiday Right: Enjoy a Complimentary 40-Point Lexus Check at Halfway Lexus Fourways!

Are you preparing for a family road trip, a coastal getaway, or simply want your Lexus to be in pristine condition for the festive season? The December holidays are a time for relaxation, joy, and creating memories—but they can also put a strain on your vehicle. Halfway Lexus Fourways is here to ensure that your 'peace of mind' starts the moment you turn the key.

For a **limited time only**, we are proud to offer all Lexus owners a **COMPLIMENTARY HOLIDAY CHECK**.

The Ultimate Holiday Preparation Checklist

A Lexus is more than just a means of transport; it is a symbol of unparalleled luxury, performance, and craftsmanship. Our complimentary holiday check is not a cursory glance; it is a thorough **40-point vehicle inspection** conducted by our factory-trained and certified technicians. We want to ensure that every system is operating at the peak of its ability before you embark on your journey.

Our comprehensive check includes:

- **Tyres, Brake & Suspension Inspection:** A meticulous safety check of your contact with the road. We inspect brake pad wear, rotor condition, tyre tread depth, pressure, and the overall integrity of your suspension system for a smooth, controlled ride.
- **Visibility & Electrical System Check:** Vital for long-distance travel and unpredictable weather. We verify the functionality of all lights, indicators, wiper blades, the battery, and the electrical charging system.
- **Engine Bay Health & Fluids Check:** We examine the engine, inspect all belts and hoses for signs of wear, and top up critical fluids, including oil, coolant, and brake fluid, to ensure reliable performance.
- **Full Diagnostic Health Check:** Using advanced Lexus diagnostic equipment, we scan your vehicle's onboard computer systems for any stored trouble codes, identifying potential issues before they become problems.
